Instrukcja karmienia	To enhance the taste, BELCANDO® Finest comes with a special sauce effect if mixed with water. Carefully mix 3 parts BELCANDO® Finest with 1 part warm water (40-50 °C) to create a particularly tasty sauce. It is a special delicacy for choosy dogs. Even when fed dry, BELCANDO® Finest is extremely delicious. Average quantities for feeding adult dogs are listed in the table shown. The correct feeding quantity is best determined by regularly checking the dog's weight. Fresh drinking water should be available at all times.
